1. Feb. meeting minutes were not approved as no one had a copy of them.

3. The HVAC units are installed and operational at the Church.
4. The replacement stove has been installed in the School kitchen by Jeff Andes and Steve Schauer.
5. We are waiting on more information from the School Principal on the expected duties of the Parish custodian.
6. Later this spring the tree trimmers will trim the trees and shrubs on the Church property.
7. A quote was received in the amount of \$3,000 to replace the Church Side entrance doors, all 3 of them with units that have clear safety glass in the upper half to bring more light into the vestibule.
8. The mechanicals of the Bell Tower need to be worked on. Tim Bachhuber will follow up with Willie about which firm did this in the past.
9. We will discuss the Faith in Action plan at the April meeting.
