

**Human Concerns Minutes**  
Tuesday, April 13, 2010  
St. Andrew Hall, LeRoy – 7:00 PM

**Present:** Ellen Guse, Phyllis Heideman, Marie Berry, Ann Guse, Dr. Mike Bachhuber, Joan Kunstmann, Joan Brown, Margie Cramer, Janine Andes

**Thank You Cards:** Our committee received 2 thank you cards recently. One from Church Health Services for the monetary donation received from our Lenten bread sale and the second a very heartfelt one from Arlyne Hoffman who was a recipient of one of the Easter cards sent by our committee.

**Quilt Tying:** 56 quilts have been completed

**PAVE Collection:** Ann has set the PAVE collection table up at St. Mary's for the April collection. Janine will take the items to PAVE the last Thursday or Friday of April.

**Easter Cards:** Cards were sent to 43 shut-ins. Thank you to Cindy Thomae, Marie Berry, Willie and Phyllis Heideman.

**Hygiene Collection:** Collection of hygiene items for the homeless in Milwaukee will take place during the month of May. Ann will put the sign up after the PAVE collection is taken down and will put announcements in the bulletin.

**Outreach Program Survey Form:** The committee discussed changes to the rough draft of the survey form. Marie will make the changes and forward the final copy to Ann to submit to the parish center for the bulletin. Dr. Mike will make pulpit announcements either the first or second week in May before the start of Masses (he will check with Fr. Tom to verify which weekend). Ann will plan the bulletin insert to go in the same weekend as the pulpit announcements.

**Faith in Action Form:** Committee discussed the Faith in Action form received from the Parish Council which we are supposed to complete. It was decided to fill in the "Service" section since the others don't really pertain to our committee. Ann will fill in the form and send to Parish Council.

**Blood Drive at St. Mary's:** Our committee was asked if we would chair the December 22<sup>nd</sup> blood drive at St. Mary's. No one stepped forward to take on the task. It was suggested to call Pam Fox since someone thought she has helped with these in the past, to see if she might be interested or able to shed more light on what is involved. The Knight's of Columbus will make calls, however, are looking for someone else to chair it. A request could also be put in the bulletin to see if anyone is interested in stepping forward.

**Next Meeting:** Our next meeting is Tuesday, May 11, 2010 – 7:00 PM at St. Mary's Church.
