**Fun Way to Contribute Food to the Poor:** Here is a great way to contribute food to impoverished people. Go to: [www.freerice.com](http://www.freerice.com) and click on a variety of categories. There is English vocabulary, English grammar, multiplication, algebra, and foreign languages. Each time you get a correct answer, rice is donated to hungry people. It's fun and a great way to improve your knowledge. This would be especially beneficial to students in grades 5-8 although the multiplication tables would help 3<sup>rd</sup> and 4<sup>th</sup> graders, too. Parents, you will find it interesting and fun as well. Enjoy!

**Motherhood Maternity 6% Bonus Offer:** Motherhood Maternity and Great Lakes Scrip Center are pleased to offer a 6% bonus contribution from Saturday, January 16, 2010, through Friday, April 2, 2010. That means Motherhood's \$25 gift card will have a 12% contribution instead of the normal 6% contribution, during the time period only. The card is redeemable at Motherhood Maternity, A Pea in the Pod and Destination Maternity.

**Pie Tins & 35mm film type containers:** The Kindergarten class is in need of pie tins (any size) and 35mm film type canisters. Please drop off in the school office or Kindergarten classroom. Thank You!

**Drink Pouch Brigade:** Capri Sun & Honest Kids will give our school \$.02 for every empty pouch we send in. They will even pay the postage! Please put your empty pouches in the collection box in the gym. REMOVE THE STRAWS! Capri Sun recycles the pouches by making tote bags, coolers, pencil cases, backpacks, lunch boxes, folders, purses, and much, much more. These items are sold at Target, Shopko, and other retailers. –Megan Andes
